### 2 Choose your border color

Solid background and border color choices\*

Pattern background choices

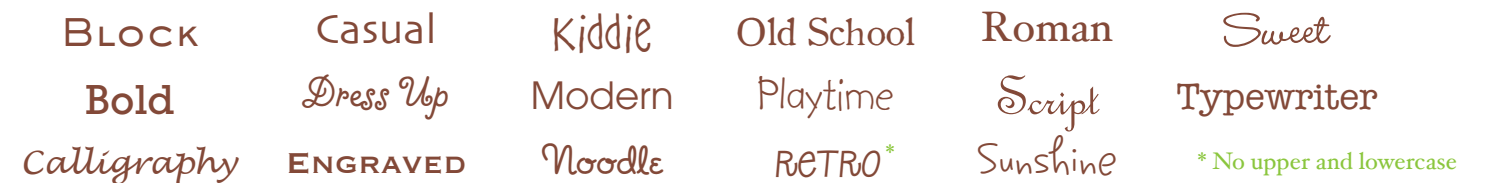

\*Note:

Solid colors are not recommended for inner scallop or inner solid border styles. When the plate is made, fine lines may appear around the edge. They in no way affect the quality of the plate, but do visually bother some people. Plates with this characteristic are not flawed and will not be redone without charge. Plate colors will not be exactly as shown on this card due to the printing process.

### 4 Choose your art icon

### 5 Choose your lettering style and color, see solid color choices at left up to 3 lines of text

Note:

We will resize art and lettering to fit on your plate. You may choose more than one lettering style. You may choose more than one lettering color. Please choose only one art icon. Colors are only available as shown on art icons.
